SPECIAL GUESTS

Nick Foles

Super Bowl MVP quarterback Nick Foles joined the Chicago Bears in 2020. A graduate of the University of Arizona, Nick was drafted by the Eagles in 2012 and became the first quarterback in NFL history to post a perfect passer rating (158.3) and throw seven touchdowns in a single game. In 2018, Nick led the Eagles to their first Super Bowl victory in franchise history, earning him MVP honors. Nick is outspoken about his faith, the driving force in his life on and off the field.

Victoria Arlen

An ESPN host & reporter, Paralympic gold and silver medalist, world-record holder, and Dancing with the Stars semifinalist, Victoria Arlen fell into a minimally conscious state at the age of 11 and spent four years unresponsive in the hospital. After nearly a decade of hard work, determination, and perseverance, Victoria learned how to speak, eat, and move all over again, regaining mobility with the help of a wheelchair and walking again on her own.

Special performance by four-time Grammy® award-winning duo, for KING & COUNTRY, along with more guests to be announced!
