

## Miracle Blueberry Mojito

For a fun adult-only or family friendly drink to enjoy while watching Miracle of Mobility Live, make this Blueberry Mojito. It's the perfect summer cocktail for a festive evening. These can be made one at a time or by pitcher ahead of time.

## Mint Simple Syrup:

1/2 cup sugar  
1/2 cup water  
6-8 mint leaves  
Zest of 1 lime

Combine all ingredients in a small pot on the stove, turn on med-low and bring to a gentle boil. Boil until all the sugar is dissolved, stirring occasionally. Let cool and pour into a jar or squeeze bottle.

## Single Mojito:

1.5 oz white rum (omit if serving the whole family)  
1 oz mint simple syrup  
1/4 cup fresh blueberries  
4 mint leaves, torn  
Soda water, lime or plain  
(If no rum in the drink, use lemon-lime soda instead)  
2 lime wedges

## Pitcher of Mojito:

1 cup white rum (omit out if serving the whole family)  
1/4 cup mint simple syrup  
1 1/2 cups fresh blueberries  
10-12 mint leaves, torn  
Soda water, lime or plain  
(If no rum in the drink, use lemon-lime soda instead)  
2 limes, cut into wedges

## Directions:

In the bottom of the glass or pitcher place the blueberries, mint leaves, 1 lime wedge (or 1 lime cut into wedges for the pitcher), and mint syrup. Muddle the ingredients together—if you do not have a muddler, use any blunt bottom object, like a rolling pin. Add ice to the glass or pitcher and the rum. Top off glass or pitcher with the soda water and garnish each glass with a lime wedge and mint leaf.

**Enjoy!**
