# Where Vietnam in the world is Vietnam

## Vietnam is a tropical country on the continent of Asia.

Vietnam covers an area of approximately 127,243 square miles. That's about the size of the states of Ohio, Kentucky, and Tennessee combined.

Vietnam is bordered by China on the north, Laos and Cambodia on the West, the Gulf of Thailand and the China Sea on the south, and the Gulf of Tonkin on the East.

## Now that we know a bit more about the land, let's learn more about the people:

- There are **96 million people** who call Vietnam their home.
- If you lived in Vietnam, you would probably eat a lot of **rice, seafood, and noodles**.
- Most people in Vietnam worship at **Buddhist** temples.
- To talk to your friends in Vietnam, you would speak **Vietnamese**.
- To greet someone in Vietnamese, you would say, "**Xin Chao**" (*pronounced Sheen Chow*).

**"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'"**

(Matthew 25:40 NIV)

### Just the facts:

**Population**  
96 million

**Language**  
Vietnamese

**Religion**  
85% Buddhist  
8% Christian

**National Flag  
of Vietnam**

## Vietnamese Water Buffalo

### Did you know:

Motorcycles outnumber cars by 10-1 in Vietnam, making public transportation more challenging for people who are living with disabilities.
