COMPONENTS OF MOBILITY

MAINTENANCE

We use commonly available components that are easily repaired and maintained.

COST EFFECTIVENESS

We provide mobility at a reasonable cost in order to make strides toward addressing the overwhelming global need for wheelchairs.

OPPORTUNITY

We create opportunities for jobs, prayer, education, relationships, and increased community involvement.

WORLDWIDE PARTNERS

We partner with like-minded organizations to reach some of the most remote regions on the planet.

DESIGN

We build our wheelchairs with a simple and rugged design to fit demand in the developing world.
